# “Creative Entrepreneurship” Coaching hours

**What do you need to take your product, invention or creative idea to the next level?**

Austrian Startups and Angewandte are launching individual mentoring sessions specifically tailored for you as a creative to help out with questions around founding a creative business or launching a product or idea.

## **How does it work?**

Talk one-on-one with mentors who have successfully launched creative businesses about any topic related to creative entrepreneurship where you need help.

## **For whom is it?**

Individuals or teams from creative backgrounds (design, arts, film, architecture, etc.) who want to build a startup and launch their ideas.

## **When and where?**

Starting in winter semester 2020, virtual or in person (tbd).

**Join our online info session on 25th of June at 4pm.**
